The Illuminating Engineering Society of Australia and New Zealand is an organization with Chapters in the five mainland States of Australia and New Zealand. The Society operates under the name: IES: The Lighting Society.

The aim of the Society is the advancement of the art and science of illumination and the dissemination of knowledge to all interested parties. The Society's diversified membership includes engineers, architects, educators, students, contractors, manufacturers and designers.

### Arcus

Arcus is the official newsletter of the QLD Chapter of the Illuminating Engineering Society of Australia and New Zealand.

### Memberships

There are two types of membership available; individual and corporate (or company).

For further information on membership contact Queensland Chapter at the below address or visit the ies website.

### QLD Chapter Management Committee

**President:** Andrew Chase

**Vice President/ Lighting Design Awards:** Steve Hare

**Annual Dinner:** Felicity Kammholz

**Secretary & Treasurer:** Michelle Knowles

**Membership and Education:** Quang Tran

**Arcus:** Majdi Hawari

**Lighting Innovation Awards:** Eric Isdale

**Student Liaison/Educators Committee:** Gillian Isoardi

**Technical Meetings:** Peter Parnell & Michael Dowling

**Advocacy:** Paul Doig, Trent Dutton & Doug Brimblecombe

### Advertising

To advertise into Arcus please contact the QLD Chapter Secretary at the email address provided on this page.

**Pricing for advertising is \$20 for members and \$50 for non-members.**

### Member Page

IES Qld Chapter members are welcome to submit information on employment changes – including new positions, promotions, and 'available for hire', for inclusion in Arcus. Members wishing to be included are requested to send a photo and a short blurb (20 – 30 words) for inclusion in the newsletter, to the editor, Majdi Hawari, at [mhawari@hotmail.com.au](mailto:mhawari@hotmail.com.au)

## PRESIDENT'S MESSAGE

Welcome everyone to this month's instalment of Arcus!

Many thanks to Trent and Scott for organising the National Construction Code 2019 Part J6 technical meeting for our members on Wednesday the 8th at Level 5, 100 Creek Street at Aust Industry. It was well attended and I thank all of you that were able to be there and I hope that you got a lot out of the information as presented.

Also, there was a seminar invite sent out for a fascinating discussion on 16th May led by Professor Stephan Volker from the University of Berlin. Many thanks to Gillian Isoardi from our Committee for sharing and giving us all the opportunity to be there. It was a great turn out and I am pleased to say that the discussion fruitful and interesting for all attendees that I spoke to.

Some other news is that we have decided to hold the awards night on Friday the 8th November and the venue below has been confirmed. The room for the awards night has been designed for these types of events and there is plenty of room for pre-dinner drinks as well as state of the art acoustics inside the room with multiple screens for viewing from all parts of the room. Thanks to our Committee Venue co-ordinator Felicity Kammholz for finding this exciting new venue.

That's it from me for this month. Enjoy this addition of Arcus

As always, please don't forget about our social media platforms:

Or feel free to message me at [gldpresident@iesanz.org](mailto:gldpresident@iesanz.org)

As always, please don't forget about our social media platforms.

## JULY TECHNICAL MEETING

The next technical meeting is scheduled for July at the Australian Institute of Architects located on 70 Merivale Street. The technical meeting topic focuses on the recently released Australian standard AS/NZS 2428 - Control of the Obtrusive Effects of Outdoor Lighting. The new standard brings with it changes that will be highlighted by our presenter **Kerry Simpson** from Gerard Lighting.

The date and time of the technical meeting will be confirmed over the coming days.

## EDUCATION

**NEW** IESANZ Lighting Course starts in Brisbane in October. The Basics of Lighting Design is a two days training course. Booking is open now visit <https://www.iesanz.org/education/lighting-courses>

Expressions of interest are now open for the 2020 intake for the IESANZ CLDA (Certificate Lighting Design and Application) 2 year course for Brisbane. Contact the Education Coordinator, Susan Wall for further information on 0417 057 177 or [susan.wall@iesanz.org](mailto:susan.wall@iesanz.org)

Illuminating Engineering Society of  
Australia and New Zealand presents

# **The Basics of Lighting Design**

## **2 Day Training Course**

**14th & 15th Oct, 2019**

**Airport International Hotel**  
**528 Kingsford Smith Drive**  
**HAMILTON BRISBANE**

### **Course Aims**

This course is designed to expand on knowledge of light and the basics of its designed application.. After satisfactory completion of this course, the attendee should feel confident discussing good lighting design at a basic level with industry participants plus an ability to work in a Lighting design role under expert supervision.

### **Topics Covered**

**Lighting Design and Lux Levels**

**Creating a Lighting Design Brief**

**Creating a Concept Lighting Design**

**Creating the Final Lighting Design**

**Cost per person is \$1475**

Payment must be received prior to commencement. No refund will be offered for last minute cancellation. Deferment or transfer to another person is possible. Please note that attendees must have completed the IESANZ Introduction to Light Course or similar to enrol in this course. A Certificate of Completion will be issued, attendees must attend both days.

Bookings can be done online visit the IESANZ website at [www.iesanz.org](http://www.iesanz.org) look under EDUCATION or contact the Course coordinator Susan Wall on 0417 057177 or email : [susan.wall@iesanz.org](mailto:susan.wall@iesanz.org) for assistance.

## QUEENSLAND LIGHTING DESIGN AWARDS (LiDA) INVITATION

Roll up roll up, entries are now open for the lighting design awards for 2019! The QLD chapter is calling for all nominations to be submitted, with the closing date for entries being strictly Friday 9th August. But do not fear, if you miss this deadline the awards will be running again in 2020!

The QLD chapter are looking for all lighting designs that you think could be worthy of an award. Remember, this is not limited to architectural and interior lighting only. Public lighting, street lighting, functional and industrial lighting are all worthy. Explain to us how you have designed an exceptional scheme that goes over and above to deliver the best result for the task at hand. Every project is judged on its own merit. It is not a comparison from one project to the next, but everything in its own right.

The judging panel consists of professionals from many fields and backgrounds, allowing us to appraise all projects against the relevant criteria for that installation.

And this year, once again (and hopefully with 100% more success) the application is an online process. QLD is the first state to commit to this process so best of luck with the submission and let's show the rest of the country that this little country cousin is actually awesome. For submissions, simply follow this link...

<https://www.iesanz.org/awards-2/awards-2019-queensland>

Best of luck to all those submitting, we can't wait to see the projects come rolling in and start judging.

Steve Hare

Queensland Lighting Design Award Convenor

## QUEENSLAND LIGHTING INNOVATION AWARDS (LiIA) INVITATION

The Queensland Chapter of the Illuminating Engineering Society of Australia and New Zealand is now inviting designers of luminaires to nominate for the (new) 2019 Queensland Lighting Innovation Awards.

**Nominations are not restricted to members of the Society** but are open to any person designing new luminaires including architects, lighting designers, interior or industrial designers and luminaire manufacturers.

Events such as the Lighting Innovation Awards represent the Chapter's most important contribution to the recognition and promotion of the art and science of illuminating engineering in Queensland. As well as giving acclaim to designs of high standard, the Society believes that in promoting the awards, the concept of professionalism in the industry is enhanced and the importance of lighting and luminaire design is publicly acknowledged.

There are four categories of entry:

- **Category A - Concept Design,**
- **Category B - Working Model,**
- **Category C - In Production,** and
- **Category D - Bespoke** (or one-off).

In 2019 the Queensland Chapter is running a pilot for a new online awards entry process to streamline processes. More information is available on the Awards section of the website and regular updates will be provided to Queensland members. A checklist is available on the website for entrants to assist in the preparation of your entry and we encourage you to assemble the required materials before you start to lodge your entry online. In 2019 to enter these awards entrants are required to:

- Read and comply with the **Conditions of Entry** available on the IESANZ website
- **Obtain Owners Consent** to submit the project and provide to the IESANZ by the entry closing date – this form is available for download on the IESANZ website
- Provide the required entry materials in the formats specified, including high definition photographic images featuring the entry that can be used at the Annual Awards Dinner
- Be prepared to provide details of the number of additional certificates and/or trophies that you may wish to order, if successful
- Complete the **online entry form** – available at <https://www.iesanz.org/awards-2/awards-2019-queensland>
- Pay the required entry fee (online payment options are provided upon completion of the online entry form) and **submit proof of payment with each entry, by the entry closing date**

Entry Fees must be paid for the award entry to be considered for judging and the preferred payment method is via credit card using the online system. To receive the member rate for the entries fees you will need to login to the website using your membership details.

Category	Entry Fee (Incl. GST)
A Concept	\$ 105.00 members / \$135.00 non-members
B Working Model	\$ 185.00 members / \$215.00 non-members
C In Production	\$ 255.00 members / \$285.00 non-members
D Bespoke	\$ 185.00 members / \$215.00 non-members

The timetable for nomination and judging for the Queensland Lighting Innovation Awards is:

Call for Nominations:	Monday, 17 <sup>th</sup> June 2019
<b>Close of Nominations:</b>	<b>Monday, 26<sup>th</sup> August 2019</b>
Judging Commences:	Monday, 16 <sup>th</sup> September 2019
Judging Finalized:	Friday, 11 <sup>th</sup> October 2019
Awards Ceremony:	Annual Dinner, Friday 8 <sup>th</sup> November 2019

Further enquiries should be directed in the first instant to Eric Isdale, Mob. 0418 874 122.
