# FROM THE PRESIDENT

Dear IES Members,

As the year flies by, it's hard to believe we are already approaching our highly anticipated IES Awards Dinner. Despite everyone's busy schedules, preparations are in full swing, and this year's event is shaping up to be one of the best yet! A heartfelt thank you goes out to all the members working tirelessly behind the scenes to ensure the evening is truly memorable. Our award judges have been actively reviewing the many fantastic entries, and we can't wait to see the exceptional work showcased during the event.

In addition to the Awards Dinner, we've had some fantastic events recently, notably our technical meeting at Bulimba Golf Club, which was a tremendous success. We are deeply grateful to everyone involved in organizing and attending, and a special shout-out to our fantastic, energetic and informative speaker, Gillian Isoardi, and the ever-entertaining Kerry Simpson for his captivating presentation. Your insights and contributions made the meeting truly engaging for all in attendance.

On another important note, we are excited to announce the reelection of our dedicated committee members. These individuals have demonstrated remarkable leadership and commitment to advancing the goals of our organization. Their continued service will undoubtedly strengthen our community and foster even more innovation in the coming year. Congratulations to all, and thank you for your hard work!

As we reflect on the successes of this year and look forward to celebrating together at the Awards Dinner, we want to express our deepest appreciation to our members for their unwavering dedication. Let's make the upcoming event a night to remember!

With regards,  
Richard Ralph

Warm regards,

Richard Ralph
